Tamaki is a **Premium brand** of products for Japanese, Pan-Asian, and fusion cuisine, rich in valuable ingredients, recommended by top brand chefs, and chosen by leading restaurants. Tamaki products are natural and produced for the HoReCa and Retail segments using traditional Japanese technologies at our Tamaki factory.

Tamaki PRO is a **Standard-class** brand that leads in sales because its products are delicious, win the vast majority of blind tastings, and remain surprisingly affordable. This brand offers all essential products in large packages, catering to professional needs.

Tamaki PRO Light is an affordable and budget-friendly brand for economy-segment restaurants. Under this brand, we produce wasabi — fiery and rich in aroma. It hits the nose but doesn't burn the tongue! Made using a traditional Japanese recipe from natural ingredients, it contains 30% horseradish and 70% mustard.

- **Taste:**

A thick, dark brown sauce with bright fruity notes and a sweet and sour taste. The aroma features hints of clove and cinnamon.

- **Ingredients:**

Made using an Italian recipe with balsamic vinegar and Merlot grape juice.

- **Cooking with Tamaki:**

Used as a topping and added to vegetable salads, it pairs well with burrata cheese and perfectly complements fish, meat, vegetable, and fruit dishes. Also used in desserts (baked goods and ice cream) and serves as an essential tool for sauce art on the plate.

- **Taste:**

A creamy spicy sauce with a fruity tang and a light, smooth, and uniform texture. It adds a vibrant color to the dish.

- **Ingredients:**

Sunflower oil, chili pepper paste, apple juice, orange juice, paprika, and garlic.

- **Cooking with Tamaki:**

It's perfect for making sushi and rolls (including baked ones), ideal for plating a dish before serving. You can also use it as a dressing for salads.

TEMPURA BATTER MIX

18 kg

10 kg

1 kg

150 g

- **Structure:**

The tempura battered dish appears bulkier, with a golden crust, appetizing appearance, and aroma.

- **Ingredients:**

The production uses premium quality flour, which results in a white batter without impurities. The ingredients include cornstarch, baking powder, salt, and turmeric. From 1 kg of dry mix, 2.5 liters of ready batter are produced. It is a certified halal product.

- **Cooking with Tamaki:**

Used for preparing battered dishes (shrimp and vegetable tempura, meat, poultry, cheese), as well as for hot rolls, which are dipped in tempura batter and coated in Tamaki panko breadcrumbs before frying.

150 g

ORIGINAL

SPICY

- **Taste:**

Original breading mix — moderately salty, with a light garlic aroma and a perfect balance of spices.
Spicy breading mix — explosive taste of fiery chili pepper complemented by paprika.

- **Structure:**

Economical usage during preparation: 1 kg of dry mix yields 2.7 liters of ready batter. The batter does not retain oil due to its composition.

- **Cooking with Tamaki:**

Used for breading to give dishes a spicy kick and a golden crust. The breading mixtures are used to prepare chicken, turkey, vegetables, fish, and seafood.
